

# Driver's Education Classroom

This class will complete the 30 required hours of instruction. The cost per student for this class is \$40.00 and should be sent in with this registration form. Troy Reynolds is the instructor for this class. Students who enroll in Driver's Education Classroom need to be 15 years old by June 1. This class needs to be completed and the written Driving Exam passed prior to the **Behind the Wheel Instruction**.

The class size is limited to 25 students. The oldest will be given first chance and the remaining openings will be filled on a first come first serve basis. There will be a class offered every fall and spring.

*A bill passed by the 2014 legislature will require all driver education programs to offer a supplemental parental course for the **primary driving supervisor**. The course must be at least 90 minutes and cover GDL information, safety risks for teen drivers, potential adult influence on teen driving behavior, and additional resources. If the **primary driving supervisor** chooses to not complete the parent supplemental course, the primary driving supervisor must verify on the driving log that the teen has driven at least 50 hours, with 15 hours at night.*
